01 · Who We Are

bTranz Software Solutions is a leading IT service provider specializing in Custom Software Development, Testing, Oracle Implementations, IoT, Web & Mobile Apps development. The company has been devoted to creating the best IT solutions for industries spanning various domains and governments alike, globally.

Professionally managed by a team of highly experienced technocrats with over a decade of expertise, bTranz takes on initiatives and provides end-to-end services — from initial idea to finished product — including full system design and implementation from scratch to specialized services in a certain field.

Core Commitments

- Follow Industry Certified Processes to deliver quality services
- Maximize the value derived by clients
- Help clients manage the full ERP lifecycle
- Vision: To be a partner of choice to clients worldwide by delivering business technology solutions

Our Mission	Our Vision
Empower businesses by delivering top-notch ERP solutions and applications tailored to their unique needs. Committed to helping companies achieve their goals through developing, implementing, and managing cutting-edge technology that drives efficiency and growth. Ensuring seamless digital transformation, enabling clients to scale with confidence.	To be the world's most trusted technology partner, empowering businesses with innovative, high-quality solutions delivered on time and within budget. Through deep industry expertise, cutting-edge technology, and best practices, driving sustained growth and success for clients.

02 · Our Services

bTranz offers a comprehensive range of IT services across four major verticals:

Agile Teams	Agility is a fundamental part of success. Agile frameworks and iterative, incremental approach optimize predictability and control risk during the development process.

Execution Approach

bTranz delivers results-driven business solutions through a five-stage approach:

1. Understand

2. Design

3. Execute

4. Iterate

5. Maintain

05 · Client Testimonials

"bTranz is our trusted Oracle partner. They provide a combination of deep Oracle experience and knowledge that supported our shift in revenue recognition approach. As promised, bTranz provided a team that ramped up quickly so we could meet our accelerated timeline."

— **Jihad M. Al Musharrafieh**

IT Manager, AL Fouzan Construction

"We are working with bTranz on different initiatives. Their delivery model is helping us execute projects at half the usual price. They bring a strong onsite presence that helps make this partnership smoother. We are looking forward to continued growth with the team."

— **Luke Ouko**

Delivery Manager, IFMIS

"We selected bTranz with their Middle East and India operations. They could provide the 24/7 coverage we needed. We were impressed with their technical knowledge and the way they explained it. They understood our business and truly cared about it."

— **Khaja Khan**

Finance Manager, EG & G Middle East
